Stilton Cheese Run

April 23

So one of the first runs of the season was met with classic British weather - mix of rain and sun. It's the 7th time we've done this and despite the route being unchanged, there's the usual range of cars, with MGs and Minis being the most popular. Encouragingly the coffee shop at New Lodge Farm has been extended, with the London Marathon on show and very nice Victoria Sponge Cake.

Thanks to Kieron and his daughter for this article

Charnwood Caper - 7th May 2023

We were rather concerned about the weather given what it had been like the day before – Coronation Day – but we were hoping that we would at last have a run where we could get the hood down. We left home about 8:45am, heading for the start at the Great Central Railway Station, at Quorn. When we got there we bumped into David and Chris Pay and stood chatting for a while before setting off on the first leg to Bosworth Battle Field. The weather was good so the hood was down. We had a very pleasant drive of about 30 miles. There were long queues for the coffee so we went back to the car and used the flask. There was a very nice Triumph TR4 parked nearby of which I took some photos.

The second part of the run – to Calke Abbey – was 45 miles, and the weather was getting better all the time.

When we arrived we parked and had our picnic and then we saw Rich and Kath Hall (they made it to the end this year) and spoke to them for a little while. I also saw the TR4 again and spoke to the owner and his son, who it turned out is a director of TMS – our main sponsor for the Ratae Run.

The weather was good all day. I was a little surprised, though, that more wasn't made of it being the Coronation weekend, but overall we had a very enjoyable day.

Club visit to Misterton Hall May 21st.

Severn MGs met at Lutterworth Town Hall car park on Sunday 21st and were all away by 0930 for the short trip to Misterton. After a bit of confusion by the Rotary Club staff, we were eventually parked on the grass area in front of the house. A short while later we were joined by David and Pat Hunter with their MGA.

Boots open, chairs and tables out, most made for the shops including Glenys and George's Cancer Research stall, behind the house for some retail therapy. As usual there was a good variety of wares on sale, including the well received Hog Roast. After a good walk round it was time for coffee, lunch and a good chin-wag. The weather was very good to us with plenty of sunshine and as more varied and classic cars arrived, the area became quite full of interesting models. First prize went to a very nice 1955 Austin A50 Cambridge owned by the person who was selling a formula for cleaning reading glasses, with him and his wife resplendent in dress for the period. Second prize was awarded to our very own David and Pat for the MGA who were presented with a bottle of wine and a bouquet of flowers by local MP Alberto Costa. Well done both! After another walk around the stalls, cars, and another coffee break, it was time to make our way home.

Another lovely day out with the cars., club members, family and friends.

Colin and Carol .

Drive out in the Magnett

Sunday 7th May 2023.

We left B. Astley around 9.30am, picnic packed and Abby sitting in the back seat.

We arrived at Ruddington, Nottingham Transport and Heritage Centre for 11am after a good drive. They hold a classic car meet on the 1st Sunday each month. Some 80 classic cars were on display.

Later we went for a 20min trip on an open top double decker. A quick stop at Rushcliffe in time to purchase a couple of ice-creams before heading back. Rather windy up top but well worth it for the views. Abby wasn't too sure!!

After enjoying our picnic we headed back home in brilliant sunshine. A very pleasant day out.

74 mile round trip, the Magnett drove really well.

Graham and Nicky.

SLMG Club visit to Shepshed Watermill 14th May ⁸

2023

Eight cars met at the White Horse and set off for a 23 mile run through nice countryside to the end venue.

Tops were down and the sun shone for the rest of the day.

Around 50 various classic cars and a few motorcycles were on display.

Also the blacksmith was demonstrating his skills.

You could walk around inside the working water mill which was grinding corn to make flour.

Hot and cold food was available and the walk around the garden and bridges crossing the stream was very pleasant with seating everywhere.

Thanks to Derek for organising another great event.

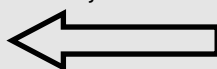

Bottom of the watermill when you go under the tunnel.

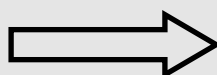

View from inside the Mill House of the wheel in operation.

Graham with head of security.

Lots of classic cars on display.

An aerial photograph of Rockingham Castle, a large stone building complex with multiple towers and a central courtyard. A flag flies on a tall pole in the courtyard. The castle is surrounded by lush green trees and rolling hills under a clear blue sky.
