Note from the event Co-ordinator

Events Co-ordinator

Hello all

Over the last few years, we have tried to arrange as many events as possible to keep you all entertained and busy driving your MGs.

I have noticed over the years that certain Members of the Club are always there to support us it would be nice to have some new faces along with us on our Events.

If we are doing it wrong, we would like to know, or if you have any ideas or would like to run an event, either as a run or coffee stop, or just going out to have food at the pub. Any ideas at all please could you let me know.

It is important that you look at all the events that are coming up on the noticeboard, or in the Torque newsletter, or on our website and book your place on the event that you would like to attend. You can do this by placing your name on the poster at the monthly meeting or by contacting me on 07831390270 or derek.everitt@me.com.

Some of our events I have to book almost 2 to 3 months in advance so this is why I have introduced the closing date for each event. Please do not leave it too late adding your name to the list. I have put all the events for the year into this months Torque newsletter for you to ponder over.

We have 23 events organised for this year so far. The list of events can change from month to month as new Events emerge. We already have our Christmas lunch organised and the date set for the dinner dance at Ullesthorpe Court.

I also send out text messages and emails with meeting places and times, so please check your emails and text messages when you see the SLMGC wording.

Hope you will come and experience some of our outings in your MG cars, and I'm sure you will have a great day out

Derek

Hook Norton Brewery visit

Sunday 14 April.

With the cancellation of the popular Daffodil Run Carol and I decided to accompany Stuart and Linda ,who were going on a trip to Hook Norton Brewery where a classic meet is held every second Sunday of the month until October.

We met up with Melvyn at the Chip Shop in Brinklow at 0900 and waited a little to see if any one else turned up. It appeared that we were the only cars going ,so off we went with Stuart in the lead. The weather was good ,slightly cold but with a bright sky having a clear Road down to Banbury. Following the Sat Nav, we soon arrived

near Hook Norton when we joined a queue of many different cars (and motorcycles) approaching the Brewery waiting to be parked up by the stewards. It was unfortunate for us that an E Type Jag had broken down on the narrow part of the entrance road causing a bit of a 'tailback' (at least it wasn't an MG!) Once parked up with the chairs out, it was time for Coffee and a bacon cob. After a good look round at some really interesting cars, vans and bikes ,it was time for lunch in the well run restaurant.

After we had another look around , including the shop and museum ,leaving Ratae leaflets on cars and taking some photos ,it was time to make our way home being the last in the car park!

The Sat Nav took us back a different route ,down the Fosse and so we were soon back home ,safe and sound.

We had a very pleasant and interesting day and would recommend a visit to this venue to others Club members.

Colin and Carol

South Leicester MG Club visit to Nottingham Transport Heritage Centre.

Sun 21st April.

A good turn out with 10 cars leaving White Horse at 10.30 ., some with tops down and some not so brave. No Tulip guide this time as we were all guinea pigs to GO RIDE.. Which is an App you down load onto your phone , the event organiser will send you a link with the route embedded.

Off we went following the nice lady telling you which way to go at the next junction, and what lies ahead, so far so good. The sun was shining and everyone seems to be going the correct way till we went through Desford where we all stopped . Stuart was taking the lead when we came to an abrupt stop. Eventually found out his phone had lost signal, so someone with a decent phone took the lead onto our destination. On discussion at the end we all thought it was a good system but needs a bit of re-working..

The sun continued to shine giving us time to have a good look around all the cars on display , the old vintage Buses, model railway and a trip on a steam train. The icing on the cake was a road trip on a Vintage bus around all the surrounding villages for some 30 minutes, and its was free, just asking for a donation.

A brilliant day , and big thanks to Derek for a well organised event.

Graham and Ann.
