Our chosen charity for this years Ratae road run is the Leicester musical memory box and they attended our monthly Club meet at the White Horse on 1st April 2025.

Displaying there advertising board, Kyle gave a thorough talk about the work that the group does, not only helping people with dementia and mental problems, but also people who are recovery from a heart-attack and stroke.

She gave us all an example of her work by playing music

2025

from the past that triggered your memory into what you were doing at that time, also pictures that did the same, we all started chatting to each other about our memory's and

that is exactly what she wanted us to do, like she said people that found it difficult to talk all week just started talking, We had a bit of a laugh with Kyle but she gave an excellent 40 mins of what the charity was all about.
