A day at the Belvoir Show

Sunday 31st August 2026

I was prepared to take the 'C' out for the first time since her rebuild into some serious rain, but as it turned out, the outlook for the day seemed quite promising.....

Until we reached the Belvoir Show Ground. A long pathway of wet gravel laden with dust turned to mud, led us into the show ground and to our pre-arranged area. We parked our gleaming (from the wheel arches up), chargers and proceeded to pitch camp. With the usual hilarity and banter, the tent was erected and quickly filled with chairs, tables, and cooking essentials.

Our allotted area was a good walk from the amenities we old folk require two or three times a day and even further from the hot food stalls and ice cream, but! As it turned out, the sun shone and it was an excellent show with a large turnout of steam and old fairground rides, tractors, bikes and a lot more. We were also awoken from our afternoon snooze by the sound of a Hurricane flyby.

It was a long walk around the show, but the exercise did us all good. A day of picnic food and cheery banter with a pleasant drive home. The only downside being, having to get the jet wash working before garaging the 'C'

Thanks to Derek for arranging the day, and fellow adventurers who made it 'A grand day out!' Peter and Helen.

At least Sue found it amusing

Saturday 26th

What a great day we had, the weather was very kind to us and kept warm and sunny all day.

After setting up the tent, organising chairs and tables it was time to hit the show.

We saw motor bike racing, go-kart racing and drag racing events throughout the day.

Also had an air display/dog fight from eight Bi-planes and then a fly by from a Spitfire.

The icing on the cake was Oklahoma Willy !! This is a VW camper van with a jet engine mounted on the rear. When it fired up standing behind was the wrong place to be...We all got blasted with hot jet fuel and particles of barrier straw were flying everywhere, but it was very good exciting.

A great day had by all!

Do you shop at Amazon ?

Would you like to know what happens when you click BUY ?

Amazon are conducting tours of their Fulfilment Centre in Derbyshire (East Midlands Airport) where you will see Robotics in action picking and packing your goods.

The tour last approximately 60-90 minutes long. During the tour you may walk up and down at least one flight of stairs and walk approximately 1-2 kilometres. So comfortable footwear is needed.

I could book a private tour of 10 to 25 guests on any Thursdays starting at 11.00am if anyone would be interested and its not a run, so please come in the car you feel comfortable in.

I am looking at the months of November / December 2026. and its FREE

Would you be interested in making up a group from the South Leicester MG Club ? Please email me on

graham37.gp@gmail.com or talk to me at the next meeting.
